Membership Criteria:

- Attach samples of “women oriented” programs (traditional and non-traditional formats) you have been involved with relating to shooting sports and/or hunting and fishing traditions.
- Attach information pertaining to your outdoor industry company and how you (as the member) intend to be involved with media related towards women, and/or media about women, and their successful involvement in shooting sports and/or hunting and fishing traditions.
- Attach criteria relating to your professional “competition” status in shooting sports and/or hunting and fishing traditions.
- If you are a motivational speaker list entities where you speak about/assist on issues dealing with shooting sports and/or hunting and fishing traditions.

If you are a volunteer coordinator for a “woman oriented” outdoor program relating to shooting sports and/or hunting and fishing traditions please list the type/types and year/years of involvement.

Applications are reviewed by quorum of the Executive Board at the beginning of each month and the applicant notified by email shortly thereafter. Please note that the format of The Women's Outdoor Media Association is oriented toward usage of email and the internet. Members without email or internet access will have longer “wait” times for their materials.
